Re: 07ANCO Initiative Application

Dear Mr. Kohlhaas:

On October 22, 2007, I received your application for an initiative that you entitled "*The Alaska Anti-Corruption Act*." I forwarded the application to the Division of Elections for verification of signatures and to the Department of Law for legal review.

The Division of Elections determined that 133 of the 262 signatures submitted were those of qualified voters. Therefore, the application has sufficient number of sponsors to qualify for circulation of a petition under AS 15.45.030. The petition statistics report prepared by the Division of Elections is enclosed.

The Department of Law found, "...no legal problems with the bill that warrant denial of certification" and has recommended that I certify the application. A copy of the Department of Law opinion regarding the application is also enclosed.

Consequently, I hereby certify your initiative application under Article XI of the Alaska Constitution and under the provisions of AS 15.45. I further certify that the proposed bill to be initiated is in the required form, that the application is substantially in the required form, and that there are a sufficient number of qualified sponsors. Your official certificate is enclosed.

In accordance with AS 15.45.090(a)(2), it is my duty to prepare an impartial summary for the petition booklets. The following is the petition summary I have prepared:

**INITIATIVE PROHIBITING PUBLIC FUNDS FOR ELECTION CAMPAIGNS; ALSO  
PROHIBITING CAMPAIGN CONTRIBUTIONS BY HOLDERS OF GOVERNMENT  
CONTRACTS**

This bill would ban the use of public funds for political campaigns and lobbying. Funds could not be used to support or oppose a ballot measure. The bill would limit political involvement in government contracts. It would ban political contributions by holders of government contracts. It would ban legislators and their staff from being employed by

holders of government contracts for two years after leaving state service. The bill has criminal and civil penalties.

Should this initiative become law?

The Division of Elections will prepare and print sequentially numbered petition booklets to allow full circulation throughout the state. Each petition will contain (1) a copy of the proposed bill; (2) an impartial summary of the subject matter of the bill; (3) a statement of minimum costs to the state associated with certification of the initiative application and review of the initiative petition; (4) an estimate of the cost to the state of implementing the proposed law; (5) the statement of warning prescribed in AS 15.45.100; (6) sufficient space for the personal information and signatures of each person signing the petition; and (7) other specifications that I decide would ensure proper handling and control. As soon as the booklets are available, the Division will send them to the Division's regional office of your choice (Juneau, Anchorage, Fairbanks or Nome). You will also be provided with instructions for booklet distribution and accounting. These instructions must be followed.

The initiative petition must be filed within one year from the date notice is given that the petition booklets are ready for delivery. The petition must be signed by qualified voters at least equal in number to 10 percent of those who voted in the last General Election, who are resident in at least three-fourths of the House districts of the State, and who are equal in number to at least seven percent of those who voted in the preceding General Election in that House district. The number of signatures that you need to gather will be based on the 2006 General Election. You will need at least 23,831 qualified voters in at least 30 election districts to sign the petition.

If you have questions or comments about the ongoing initiative process, please contact my special assistant, Jason Hooley, at 465-4082.

Sincerely,

Sean Parnell  
Lieutenant Governor
